Dear friends, Term 2 was an exciting term. Horowhenua College welcomed for the first time, students from India. These students came from Mussoorie International School in Uttarakhand. They were part of a 10 day programme which included time in the classroom, interacting with our local students, experiencing the New Zealand culture and day trips. The Farewell Party was a great occasion, celebrating different cultures and very much enjoyed by all, even though it is always hard to say goodbye.

There were two international lunches at the end of term 2 to farewell the European students leaving.
