Dear friends

We welcomed the following students to Horowhenua College at the beginning of Term 3: Jonathan Kummert (Germany); Kristina Gedde (Norway); Amy Luo (China); Akihito Koinuma, Ayaka Nishi, and Yukino Ogaki (Japan); Sophie Woods (Denmark), Maider Larruskain Carrion and Monica Vazquez Figuerola (Spain). Photos below from the central north island trip in September.

We enjoyed two short term visits from Japan during Term 3. The first one was from Meijo University High School for two weeks. The programme included ESOL, time in the classroom with student buddies and cultural trips between Palmerston North and Wellington. We have a strong relationship with Meijo and always enjoy their visits to our school. Pictured below the powhiri, weaving flax and canoe polo.

Our second short term visit from Japan was Namiki Secondary School (10 days). This was Namiki's second visit to Horowhenua College. Both school visits were wonderful. Many friendships were made. Being a buddy is always popular. Our school really enjoys the student/school visits.

Pictured above, these international students are from Japan, Denmark, China and Germany.
