**Dear friends**

A special thank you first to all the international students we have had attend Horowhenua College this year. We have had students from Japan, China, Malaysia, Germany, Belgium, France, Papua New Guinea, The Netherlands, Sweden, and Italy. We have also hosted a group of Japanese students from Meijo University High School. We have so very much enjoyed having you all at our School and thank you for the contribution you have all made during your stay with us.

## Trip to China, October

Twelve local students from our school visited China for two weeks during the school holidays (before Term 4). This cultural experience was an amazing experience for everyone. We spent five days in Beijing sightseeing and five days in Guangzhou where we were hosted by a school. Three of the students who came on the trip were New Zealand born Chinese and who were visiting their ancestral village for the first time.

Our Careers Centre is always a great help to our students. International students are able to meet with our trained staff to discuss their career path, Universities, and tertiary institutions for the future.

During November, Robyn Keeling (Director) visited agents and schools in Taiwan, Vietnam, Japan, Korea and Hong Kong.

**Short term Visits/Study Tours:** We will be welcoming 5 groups during the year from India, Vietnam (Sister School), Japan (2 school groups) and Taiwan.

**Leavers:** We are always sad to say goodbye to our leavers at the end of the year but wish them every success in their future studies.
